# ALMA MATER

## I

Carver High School! Carver High School!  
Sing we now our songs of praise.  
Song of praise and adoration  
With our voice now we raise.  
Striving onward, striving upward;  
Striving with a heart so true.  
Carver High School! Carver High School!  
We'll fore'er be true to you.

## II

As we go to fight life's battle,  
May we all thy teachings bear;  
So that we may all work to be like he  
Whose name thy front doth bear.  
May we move upon trials too.  
Carver High School! Carver High School!  
We'll fore'er be true to you.

## III

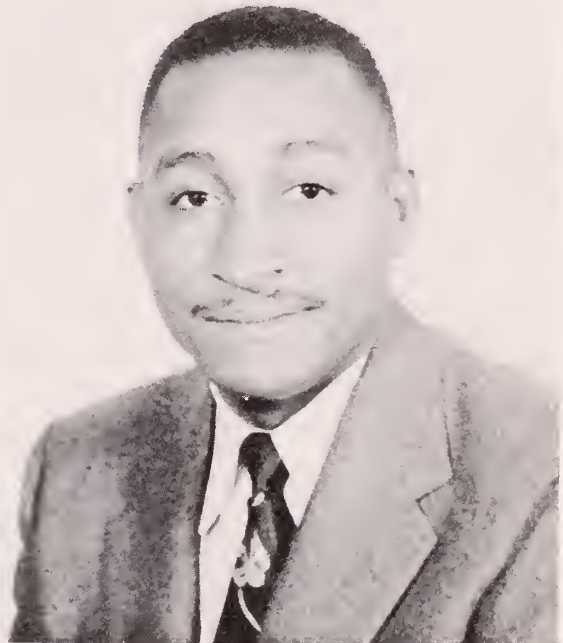

Carver High School! Alma Mater!  
May we ever, ever be;  
A great service to our nation  
And a service to thee.  
Still now wearing thy dear colors  
Of maroon and golden hue.  
Carver High School! Alma Mater!  
We'll fore'er be true to you.

Coda--

Ever be true to you.

# CLASS HISTORY

Dreams do come true! Many years ago (four to be exact) there came to Carver High School a new group of freshmen. For a time confusion, chaos and catastrophe reigned supreme as students dashed madly about trying to get acclimated to their new surroundings.

We returned as sophomores in September, however, the year was uneventful for us as we had even lost the doubtful blessing of the notoriety that we enjoyed as "froshes."

In 1951, many determined juniors returned to carry on the responsibilities of the second highest order in the school. Many of us began to take a more active part in extra curricular activities, although we had been represented in all activities previously. In the choir we had Audrey Dennis, Ruth Banks, Delois Hackley, Barbara Wise, Joseph Carter, Astorie Turner, Cormora Rector, Claria Thompson, William Hume. In the varsity club we were represented by Eleanor Jameson, Lois Fleshmon, Peggie Washington, Martha Carter, Daisy Carpenter, John Weston, Robert Porter, James Yates, Charles Monroe, Wilbur Edwards, Lafayette Burros, James Slaughter, Earl Scott, Jack Johnson and David Reid. It was during our junior year that Carver had its first football team.

Aaron Fletcher, Robert Beckwith, William Hume, John Carpenter, Temple Ficklin, and Astorie Turner proved a great asset to the band. Agnes Winkie, Audrey Dennis and Lois Fleshmon did a wonderful job as majorettes. During our junior year, a standard class-ring was chosen by the student body. Our class is the first to have the privilege of wearing Carver's first standard ring.

Then came the long awaited Junior-Senior prom which was held to the pleasure of all who partook of its merriment.

Again in September eighty-three seniors returned to enjoy the fruits of complete superiority. The main social functions included the senior play- "Our Town" and the prom.

We now end an era at Carver which instilled within us principles and attitudes of thought and conduct which will motivate us and steer our energies into an increased responsibility to affect service to society. Our stay at Carver has been enriched with experience. We shall esteem and cherish these experiences and cling to them as precious moments.

# CLASS PROPHECY

Oh mysterious powers from ancestors old, uncloud my eyes and visions unfold to see in the future to 1963 the class of '53, fortunes and fates.

The future is coming nearer, but fast and now I can see things clearly at last.

I see Lillian Daniel co-starring in one of Producer Joe Carter's famous plays, "Conquered."

Lois Fleshmon is teaching Chemistry at Virginia State College.

Hilda Jackson is now an NBC starring on radio and T.V. as "My Friend Irma."

Can you imagine Martha Carter and John Weston running a night club known as Tin Cup Alley in Culpeper, Virginia? Their playing customers are Ellen and Bill Porter. Everybody is talking about it!

Ruth Robinson and Camilla Hoffman are two old maids living in a brick cottage in Green Forest, Virginia.

Kelsie Paige has a dress shop in Richmond-her latest styles are slenderizing skirts and dresses.

While vacationing in California this summer I found that Astorie Turner and Charles Monroe were living in Hollywood, happily married. Charles was busy teaching the three youngsters to be serious like their Dad.

Who would have guessed it? Audrey Dennis has now invaded the wild and wooly west and is head nurse at the Mayo Clinic in Minnesota.

Ruth Banks is secretary to Aaron Fletcher who is principal of the largest high school in Plum Nearly. James Yates is coach. The team has played sixteen games this season and lost fifteen. Could it be because the strapping robust boys of Robert Porter, Wilbur Edwards, Lafayette Burros and Jack Johnson are on the team?

Lorraine Galloway has finally hooked Jack Johnson. They have one girl and two boys.

Barbara Ward and David Reid are the leading dancers in the Silas Green Show.

Roy Jackson now runs the largest nursery in Gordonsville, most of the children belong to him and his wife, Lena. However, the four kids of Margaret Ferris and Douglas Rawls, attend.

The married couples include Beatrice Hill and Temple Ficklin now living in Nevada, Isabelle Jones and John Francis, living in Texas. John is making use of his Agricultural training that he received at Carver and has a large cattle ranch. Their recent guests were Edith Grasty, Mary Turner and Armentra Dennis.

Peggie Washington, who always had a knack for drawing has achieved great heights. She has succeeded E. Sims Campbell.

Delores Hackley has her P.H.D. from U.C.L.A. She was quite lucky in getting a position abroad.

Mary Ellis and the Carpenter sisters are still the best of friends; they are in Orange because they love home sweet home.

Mildred Dangerfield has established the Dangerfield Chewing Gum factory, but for some strange reason does not seem to make much profit.

Clarla Thompson now teaches English at Shantytown High School. She is having difficulty in teaching the students to use "Ain't" correctly. Joyce Tolbert and Fannie Johnson are teaching in the same school. Imagine Joyce teaching the students how to control their speed when talking and Fannie instructing them in the correct pronunciation and enunciation of words!

Poor Agnes is sitting in her shack across the track waiting for her recently married husband, Ned Cooper, to return from work.

Katherine Simms and Thelma Steward have decided to follow the army around. They are now stationed at Mouse Trap, Florida.

It's hard to believe, but it is true, Edna Holmes moved to Texas and what a surprise! Oil was found on her property! ! She hasn't forgotten her classmate though.

You remember Virginia Green, don't you? Well, if you gals are in need of a hair style, why not drop in at Green's Beauty Salon, 2469 Fifth Street, Washington, D.C. Victoria Ellis and Cormora Rector work with her. By the way, anytime you need transportation in D.C., call Scotts Cab and he'll give you a free ride in the same ole jalopy.

# CLASS WILL

We, the senior class of nineteen hundred and fifty-three, of the George Washington Carver High School, being of sound mind and uninfluenced by anyone or anything except our four years experience and observation in this most revered school, do hereby leave this record as our last will and testament.

## ARTICLE I

To the Junior Class, we leave our dignity, love for Carver, personality, scholastic achievements and best wishes for a successful senior year.

To the Sophomore class, we leave two years of preparing assignments, taking examinations, making book reports, writing term papers and our seats in assembly.

To the Freshman class, we leave our instructors and that which we prize and which has sped so swiftly, our high school youthfulness.

To the Eighth Grade class, we leave our eagerness for participating in extra curricular activities.

To the faculty, we leave our undying gratitude and hopes that their future students will be as brilliant as we were.

To our sponsors, Mrs. Hooper and Mr. Goodman, we leave a box of B.C. Headache Powder to take for the many headaches we caused them.

These boys were elected by their fellow members at their first meeting held at Carver High School on Friday, November 14, 1952. At this meeting we discussed how we should conduct ourselves during the coming year, the number of meetings to be held, the election of new officers and other important business. This Federation consists of four N.F.A. chapters. They are: O.R.Johnson, Culpeper; W.C.Taylor, Warrenton; Milton Valley, Berryville; Louisa Chapter, Louisa. Mr. Nicholas, who has been with us since 1951, has done a remarkable job in building up our chapter and in helping to support our federation. We wish to express our thanks to him and may he continue until we are at the top.

# Miss Carver of '19 53"

One of the most colorful mid-winter events was that of the crowning of Miss Carver, an annual affair which is given at George Washington Carver. The gala affair brought throngs of people from each of the four counties on the night of February 6, 1953. Carver is very happy to have its fourth queen to go down in its pages of history. The poise, sweet disposition and friendly smiles as well as the beauty, brains, and conscientious work enabled the student body of this institution to select Miss Camilla Hoffman as Miss Carver of 1953. The picture here shows Miss Bessie Robinson, Miss Carver of 1952 crowning Miss Hoffman as Miss Carver of 1953. Both queens are belles of Madison, Virginia.
